EXPERIENCE

[02/2024 – 05/2024]

Serviciul Tehnologia Informației și Securitate Cibernetică

During my internship at the Information Technology and Cyber Security Service, I assisted with technical support, documentation, and analysis of IT processes. I gained experience working with IT infrastructure, troubleshooting technical issues, and applying basic cybersecurity practices.

[05/2024 – 08/2024]

Internship Web Developer, Cedacri International

I worked in a team developing web components using JavaScript, jQuery, XML, and XSL. I contributed to UI functionality, data manipulation, and interface optimization. I collaborated closely with developers and QA engineers, improving my practical web development skills as well as my communication and teamwork abilities.
